

CMRC scientific meeting

Topic: Molecular biology

Thursday, April 28th, 2005

August Krogh Institute, Universitetsparken 13, 2100 København Ø

Auditorium 1

14.00-16.00

Program:

14.00 - 15.00 Quantification of mRNA with real-time RT-PCR.
How to avoid the pitfalls.

Prof. Stephen A. Bustin
Institute of Cell and Molecular Science, Queen Mary's School of
Medicine University of London, UK.

Prof. Stephen A. Bustin is one of the prime experts in real-time RT-PCR and is the author of many articles on the real-time RT-PCR method and recently the "bible" in real-time RT-PCR, "A-Z of Quantitative PCR", IUL 2004.

15.00 - 15.15 Coffee break.

15.15 - 16.00 Systems Biology and microarrays.

Henrik Bjørn Nielsen
Center for Biological Sequence Analysis (CBS), Danish Technical
University, Denmark.

Henrik Bjørn Nielsen is an expert in microarray analysis from the group on systems biology of gene expression at the leading bioinformatics center in Denmark, CBS.

Everyone is welcome

Chairman: Peter Schjerling
